

Finding & Eliminating the Cause of Pain Without Drugs and Surgery

PRESSURE POINT THERAPY

Do you suffer from painful conditions? Are you tired of medications that offer little or no help? Can your doctor pinpoint the exact cause of your pain or do you feel left "in the dark"? Is the doctor-medication-therapy routine providing you true relief or do you continue to suffer because you don't know what else to do? If you answer "YES" to any of these questions, this [FREE workshop](#) can help:

- Headache/Migraine
- Sciatica
- Neck Pain/Whiplash
- Sinus Problems
- Back Pain
- Fibromyalgia
- Joint Pain
- Arthritis
- Shoulder Pain
- Disc Problems
- Nerve Pain
- Carpal Tunnel
- Tendonitis
- Bursitis
- Sports Injuries
- Unexplained Pain

Thousands have discovered these common health complaints can be helped by natural therapies. If you suffer from any of the above and would like to find relief and actually become **HEALTHIER**, then come to this [FREE CLASS](#):

Learn: Pressure Point Therapy. Bring a partner and learn how to use this therapeutic wellness technique that is easy to learn... we've taught it to hundreds of people and it really works!

Learn: Screen Yourself. How to identify structural problems many of us overlook that lead to painful conditions. Otherwise unresponsive pain is often resolved with structural corrections.

Discover: Low Level Laser Therapy. Used worldwide for over 40 years to relieve pain, remove scars, heal wounds and regenerate nerves. Two clinical trials showed a pain reduction response of 66% after just ONE treatment. Safe, non-toxic, and non-invasive. The only thing you'll feel is relief from your pain!

Discover: Medical Acupuncture. Modern research has shown that this gentle and safe treatment elicits a complex set of responses in the nervous system that is effective in treating a variety of pain and other conditions. Relieve pain, restore balance, and create an overall sense of well being.

Experience: Surface Electromyography. Uncover imbalances that cause painful conditions, often BEFORE you even know it's there! Non-invasive diagnostic test takes only minutes and

provides a wealth of information. SEMG will be demonstrated and a **FREE TEST & EVALUATION will be included.** (Scheduled during regular clinic hours.)
